Nationally Recognized Minority-Certified Law Firm Expands to California

Angel Reyes & Associates, P.C. now serving the mortgage default industry in TX & CA

DALLAS, TX – Angel Reyes & Associates, P.C. recently received approval from the California Secretary of State and from the California Bar to do business in California. The approval will allow the law firm to provide cradle-to-grave mortgage default services to new and existing clients, banks, and mortgage servicing companies doing business in Texas and California.

The Dallas-based law firm is known nationwide for being a leader in the mortgage industry due to its technological innovation, exemplary customer service and top-tier timeline management. Services provided in each state include residential and commercial foreclosure, bankruptcy, eviction, litigation, workouts and modifications, closings, and CFPB compliance representation. For more information about the firm and its recent approval to do business in California, visit AngelReyesandAssociates.com.

About Angel Reyes & Associates: Angel Reyes & Associates, P.C. is Dallas-based and focuses its practice on mortgage default and business legal representation in Texas and California. The firm has an AV-rating (the highest obtainable) through Martindale Hubbell, the leading legal rating service. This AV-rating means that our Firm's legal ability is "very high to preeminent" and that our ethical standards are "very high." Our attorneys and staff provide value to our clients with the highest quality representation, creative strategies and reliable advice. To contact the firm, visit AngelReyesandAssociates.com or call 877-308-7900.
